мгновенный!

The image is a festive holiday-themed composition. In the center, the word "До́суда!" is written in a large, elegant, red cursive font with a white outline. The background is a warm, golden-yellow glow filled with numerous out-of-focus lights, creating a bokeh effect. Several dark brown pinecones are scattered throughout the scene, some in sharp focus and others blurred. A white, braided cord, likely for a string of lights, is visible in the lower-left and lower-right corners. A piece of gold-colored ribbon or fabric is also present, adding to the celebratory atmosphere.

Терза!

A festive winter scene featuring two ginger kittens. One kitten is in the foreground, looking up and reaching towards a string of four hanging stockings. The other kitten is in the background, also reaching up. The stockings are red and white with various patterns. The scene is set in a rustic wooden window frame decorated with red bows and a star-shaped decoration. The background is a bright, snowy landscape. The overall mood is warm and celebratory.
